SATURN
DIGITAL MEDIA

Indoor / Outdoor Smart Digital Reader Board or Kiosk

Restaurant's custom logo header with current time, date and weather.

Space for restaurant's menu, special deals, upcoming events and other info, etc. that automatically switch at predetermined time intervals. Assets uploaded here will display everyday or can be scheduled in advance to appear on specific days and times only. By adding an interactive component, diners can browse through content themselves.

Space for additional promotions and info, etc. Content can be images intermixed with high definition video and board will automatically transition between them with eye catching-effects. Assets in this space can also be scheduled to appear when needed.

"They have detailed knowledge of each project thus do great work from concept to final output. They are extremely inventive and always suggest new ideas and superb implementation. I would have no problem recommending Saturn Digital Media to anyone looking for an honest, hard working, detailed company."

George De Silva - General Manager - Holiday Inn Downtown Toronto Centre
